

# Veterans' Day Project

The first grade classes will salute veterans in our families with a Wall of Honor during the month of November.

In preparation for this display, we ask that you complete the attached sheet with as much information as possible and return it by Oct. 28<sup>th</sup>. *Please print.* You may also

send a photograph of the veteran. (If the photo is old and an original please make a copy. Thank you.) All information sheets and photos will be returned in a few weeks. Additional sheets are available from your child's teacher or can be printed from the E-Blast that you receive on Fridays. If you do not have a veteran in your family please return the Wall of Honor form so that families that have more than one veteran can use it. Thank you.

For questions, please contact:
