

Topics wk. of 1-21 and 1-27

Math- Time to hour and half hour, 2 digit adding and subtracting, introduction to fractions of half, thirds, and fourths. Drilling and memorizing facts boosts confidence.

Reading- Reading nightly with your child really helps with comprehension and fluency. Work is more difficult now and it helps for your child to be prepared.

Social Sciences- Martin Luther King, plants, Arctic animals.

1-23 NEEDS for Chinese New Year. (Year of the Rat.) Wear red for good luck. Bring a small music maker to parade to cafeteria.
