

Mrs. Serafin's 3rd Grade

FOR the week of
October 1, 2018

NEWS

Hot topics this week

Homework/Other Info.

* Math Focus:

- Chapter 2: Addition
- Addition Properties
- Using an Addition Table
- Addition Patterns

* Science Focus:

- The Scientific Method: Making a good hypothesis, drawing conclusions, observations, and record keeping.
- Mystery Science Lessons

Homework:

Workbook Pages are usually assigned for math homework. Depending on how much progress we make in class will determine what our homework assignment is. Please see student tracker for exact homework page numbers.

Other Info:

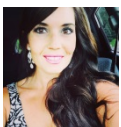

Students should charge their Chromebook nightly to ensure it is ready to use the next day in class.

Tests:

Please see tracker for when a test will occur.

Message from Mrs. Serafin 😊

Hello! Thank you to all of the parents and guests who came to open house! It was so nice to meet all of the children's families. Conference forms will be coming home in the next week or two. Conference Day is on November 6th.
