

Update for October 1-5, 2018

Math- The class will be talking about ways to make 9 and 10. We will label math sentences as true and false.

Science- We will finish with our unit on weather and our test will be on Tuesday, October 2. A study guide will be supplied.

Social Studies- We will completing our first chapter on families and groups by discussing child inventors. Our test will be on Friday, October 5. Make sure to review with your child the meanings of these vocabulary words: holiday, family, celebrate, homes and transportation.
